OBJECTIVES

I am seeking opportunities to join a company that can help me in enhancing my skills, strengthening my knowledge, and realising my potential. I am willing to explore a wide variety of opportunities that can gain perspective.

EDUCATION

Adichunchanagiri Institute of Technology, Chikkamagalur

2022-2026

Bachelor of Engineering in Computer Science and
Engineering CGPA-8.35 (first 7 semesters)

Pre University Collage.

SIR M V P.U Collage,Davanagere

Percentage – 82.5%.

High School

S.Nijalingappa Education Trust, Hosadurga

Percentage – 94.7%

TECHNICAL SKILLS

- **Programming language:** Basic C programming & Java,Python.
- **Developer Tools:** VS Code, Eclipse.
- **Cloud & DevOps Tools:** Basic knowledge of AWS with hands-on experience using Jenkins, Mavenand Ansible for automation and deployment tasks.

PROJECTS

Phishing Website Detection

- Implemented using HTML,CSS, Python.
- Trained model for real-time websites.

Movie Review App

- Developed a User-friendly Platform for detailed insights.
- Implemented user-friendly interfaces using HTML,CSS, and React 18.
- Designed and managed backend with node js.

Detection of Axillary Lymph Node (ALN) Metastasis in Breast Cancer

- Developed a deep learning system to predict ALN metastasis from histopathological images using a fine-tuned EfficientNet-B0 model.
- Implemented patch-based preprocessing and integrated clinical parameters to improve prediction accuracy.
- Implemented Using Python, TensorFlow, Keras, EfficientNet-B0, CNN, Medical Image Processing, Model Evaluation, Git

CERTIFICATIONS

- **Internship** on full stack development by Varcons Technologies Pvt.Ltd
- **Hackathon Participation:** Actively participated in multiple intercollegiate hackathons, gaining hands-on experience in team-based problem-solving and rapid prototyping.
- **IEEE Certification:** AI-Based Detection of Axillary Lymph Node (ALN) Metastasis in Breast Cancer Using Deep Learning.
Presented at INSPIRE 2025, organized by MIT College, focusing on EfficientNet-B0–based histopathological image analysis.

DECLARATION

I hereby declare that the above written particulars are true and correct to the best of my knowledge and belief.
